RE: MTC TIP Revision No. 2011-33 – Amendment

Dear Mr. Aljabiry:

Please be advised that MTC recently made several changes to the 2011 Federal Transportation Improvement Program (TIP). TIP Amendment 2011-33 revises 36 projects with a net increase in funding of \$66 million. Among other changes, the revision:

- Amends in nine exempt projects for Local Priority Development Area (PDA) Planning in each county funded with a total of \$20 million in Surface Transportation Program (STP) funds and \$2.6 million in Other Local funds;
- Amends in the following six new exempt projects: 1) Livermore Transit Oriented Development (TOD) Study at I-580/SR84 totaling \$645,000; 2) SFCTA - Treasure Island Mobility Management totaling \$725,000; 3) Sonoma County Regional Park's Central Sonoma Valley Trail totaling \$625,000; 4) Regional Planning - Priority Development Area (PDA) Implementation totaling \$9 million; 5) Bicycle Lockers at Capitol Corridor Stations totaling \$581,000; and 6) Napa County Community Based Transportation Plan totaling \$100,000;
- Updates the funding plan of the Alameda: Vasco Road Safety Improvements (ALA030002) to add \$13 million in RTP-LRP funds in FY 2015 to show full project cost;
- Archives Santa Clara County's Santa Teresa/Hale Rehabilitation (SCL110012) project from the TIP because the funds have been obligated or the project has been completed;
- Archives the Caltrans managed grouped listing for the FTA Non-Urbanized Formula Program (VAR030002) because all the projects within the listing have been completed; and
- Updates the funding plan and back up listing of the Caltrans managed Grouped Listing (GL) for Safety Improvements – Highway Safety Improvement Program (VAR110007) to split out two road diet projects

(Shoreline Drive, Westline Drive and Broadway Bike Lanes - ALA110085 and Sonoma Boulevard Improvements - SOL110037) along with \$660,000 in HSIP and \$75,000 in Other Local funds into individual listings as they are Non-Exempt and Not Regionally Significant projects.

The modifications made pursuant to this revision do not require a new regional emissions analysis because the projects were found to conform as a part of a previous analysis, pursuant to the transportation conformity provisions found in 40 CFR Part 93 section 122(g). MTC's 2011 TIP, including Revision No. 2011-33, was developed through a continuing, cooperative, comprehensive transportation planning process in accordance with 23 U.S.C. §134 and 49 U.S.C. Chapter 53 and MTC's Public Participation Plan.

TIP financial constraint documentation submitted with this revision shows that MTC's TIP is financially constrained as required by the federal surface transportation programs authorizing legislation and statewide and metropolitan planning and programming regulations. MTC's 2011 TIP, as revised with TIP Revision No. 2011-33, remains in conformity with the applicable State Implementation Plan (SIP) for air quality and the revision does not interfere with the timely implementation of the Transportation Control Measures contained in the State Implementation Plan (SIP).

The revised TIP entries and the updated fiscal constraint documentation have been emailed to your staff and have been posted at MTC's TIP website at: <http://www.mtc.ca.gov/funding/tip/>. If you have any questions regarding this revision, please contact Sri Srinivasan of my staff at (510) 817-5793 or Adam Crenshaw at (510) 817-5794.

Sincerely,

Ann Flemer
Deputy Director, Operations
